

**Amendments to the Claims:**

This listing of claims replaces all prior versions and listings of claims in the application:

Listing of Claims:

**1. (Cancelled)**

**2.(Currently Amended)** The sled of claim [~~1~~]10, further comprising a strap extending from the first strap anchor to the second strap anchor, the strap passing through the center strap anchor.

**3. (Cancelled)**

**4. (Cancelled)**

**5.( Currently Amended)** The sled of claim [~~1~~]10, wherein the center strap anchor defines an aperture for receiving a strap.

**6.(Currently Amended)** The sled of claim [~~1~~]9, wherein the center strap anchor is integrally molded with the hull.

**7.( Currently Amended)** The sled of claim [~~1~~]9, wherein the center strap anchor is shaped to conform to a rider's thigh.

**8. (Currently Amended)** The sled of claim [~~1~~]10, wherein the center strap anchor is disposed midway between the first and second strap anchors.

**9. (Currently Amended)** A sled comprising

a hull having opposed first and second side walls;

a first strap anchor mounted on the first side wall at a longitudinal position selected to be adjacent to a rider's thighs;

a second strap anchor mounted on the second side wall at a longitudinal position selected to be adjacent to the rider's thighs;

- a center strap anchor between the first and second strap anchors;
- a first strap extending from the first strap anchor to the center strap anchor; and
- a second strap extending from the center strap anchor to the second strap anchor.

**10. (Previously Presented)** A sled comprising

- a hull having opposed first and second side walls;
- a first strap anchor mounted on the first side wall;
- a second strap anchor mounted on the second side wall; and
- a center strap anchor between the first and second strap anchors, the center strap anchor including a bar supported by at least one leg extending from a floor of the hull.

**11. (New)** The sled of claim 9, wherein the center strap anchor comprises a bar supported by at least one leg extending from a floor of the hull.

**12. (New)** The sled of claim 9, wherein the center strap anchor is disposed midway between the first and second strap anchors.
